

XEONIC. PRODUCT CATALOG

Reliable domestic production,
the kitchen lifestyle proposed by Xeonic.

Heartfelt kitchenware · Made in domestic · Leading lifestyle

Xeonic

MESSAGE.

CEO's greeting

Plastic production
Parts packaging

*A place for your most special daily life.
Xeonic adds warmth to your kitchen.*

Hello. I am Byung soo Kim, CEO of Xeonic Co., Ltd.

Xeonic is a 100% Korean manufacturer based in Asan, Chungnam,
making safe and convenient plastic kitchenware with the belief that it
"goes onto my family's dining table."

We aim to go beyond simple tableware and capture the warmth and love
of the person who makes the food.

We will become a company that stays true to the basics rather than focusing
on flashiness, earning deep trust as time goes by.

We will do our utmost to support you so that small joys starting
in the kitchen fill your life.

Thank you for your unwavering support.

We wish you and your family continued happiness and good health.

Thank you.

Byung soo Kim, CEO of Xeonic Co., Ltd.

ILIVING

POINT.

Product points

BPA FREE

It is a 100% domestically produced product, and since no Bisphenol A was detected, you can use it with peace of mind.

Integrated lock

When the container and lid are locked, there are no parts protruding outwards, allowing for easy cleaning without foreign substances.

Strong durability

We have successfully completed over 3 million tests of folding and unfolding 120 degrees using a special machine without failure.

Crystal clear

By using high-quality raw materials, high transparency is achieved, allowing you to see the contents inside the container more clearly.

Thermal test

As an airtight container that has completed cold and heat resistance tests, it can be conveniently used in both microwaves and dishwashers.

Standardized size

A airtight container with standardized sizes designed to maximize space efficiency for packaging, display, and storage.

High airtightness

A 4-side locking lid and silicone seal deliver superior airtightness to keep any food or ingredient at peak freshness longer.

Hollow silicone

Featuring hollow silicone for high compressibility and recovery, it provides a secure fit and superior airtightness.
